The U.S. Department of Education does not accredit educational institutions and/or programs. However, the Secretary of Education is required by law to publish a list of nationally recognized accrediting agencies that the Secretary determines to be reliable authorities as to the quality of education or training provided by the institutions of higher education and the higher education programs they accredit. The U.S. Secretary of Education also recognizes State agencies for the approval of public postsecondary vocational education and nurse education.

Scholarship check will be written to post primary learning center of choice.
